3 REASONS RECYCLING SHOULD BE ON YOUR RADAR:

1. Implementing or improving a recycling program can result in a decreased need for garbage service and a savings on your waste collection bill. South San Francisco Scavenger Company provides cardboard, mixed paper, and mixed container (aluminum, glass & plastic) collection services for no charge, and organics (food waste, food-soiled paper, and waxed paper/cardboard) collection for a discounted charge.
2. California Assembly Bills 341 & 1826 and CalGreen require that businesses and multifamily residential complexes separate recyclables and organics from garbage. Visit CalRecycle.ca.gov for details.
3. Help is available! South San Francisco Scavenger Company staff can provide training assistance, collection carts/bins, informative flyers *(examples shown below)*, and more. Contact us today at 650.589.4020 or info@ssfscavenger.com.

Lab Plastics?

Did you know that we can recycle many types of rigid plastic containers used in labs? Contact us for details.

500 East Jamie Court ◆ South San Francisco, CA 94080 ◆ Phone: 650.589.4020

Doing a Construction or Demolition Project?

South San Francisco Scavenger Company provides debris box service for construction & demolition materials. We guarantee 65% landfill diversion of mixed loads. Higher diversion can be achieved by recycling clean, source-separated loads of cardboard, wood, drywall, sheet plastic, dirt/rock/concrete, tree/yard trimmings, carpet and scrap metal.

Problems with Illegal Dumping or Scavenging?

South San Francisco Scavenger Company can provide a company lock and 2 keys for a one-time charge of $12. You can lock your cart, bin or enclosure and reduce the chance of illegal dumping and scavenging. To request a lock, contact us today at 650.589.4020 or info@ssfscavenger.com.

BLUE LINE TRANSFER, INC.

500 East Jamie Court ◆ South San Francisco
